Recycle Your Usable Clothing & Small Household Items

It's not just a donation. It's an investment in a child's future.

It's Easy to Help

Drop-off your clothing & household items

at our convenient attended centers or in one of our bright green donation bins.

Everyday we work tirelessly to change the perspectives of children and give them an opportunity to achieve great things. We are committed to providing positive adult role models to vulnerable children. But without donations, we couldn't offer our mentoring services.

Donations help us to provide our programs and support children in your local community.
