BBBS Community-Based program is highly flexible and allows for endless possibilities for mentors to connect with their mentees. Matches get to know each other by having fun doing activities out in the community.

Some mentors meet their mentees on the weekends. Others get together with their Littles on weekday afternoons or evenings. Each match is unique and develops a schedule that works for them.

Studies show that children who have role models are more likely to improve in school and in their relationships with family and friends, and less likely to skip school or use illegal drugs or alcohol.
